

West Heath School Invites
You to Our
Open day
and
The Grand Opening of
THE STEAM LAB

Our open day provides an opportunity for you to view our School, our integrated therapies and allow our staff and students to outline our educational provision and demonstrate their hard work and efforts.

Friday 20th March 2020
10:30am - 2:30pm

Refreshments and buffet lunch
provided

West Heath School
Ashgrove Road
Sevenoaks
TN13 1SR

The STEAM Lab launch event is an opportunity to see the bold new direction that West Heath is taking to merge the ideas of play, learning and therapy into one room. Working with Creative Hut, we have designed a new space in which students can learn to program robots, have 1-1 LEGO Therapy sessions, build upon communication skills, paint miniatures, play tabletop games, wonderful learning opportunities and more .

Creative Hut and West Heath are excited to show you all this brand new development so that you can gain an opportunity to see it in action and get some hands-on experience with the state of the art LEGO programming software.
